

Small Business & PSR ... A Partnership for Success

PSR, a Wisconsin-based Professional Employer Organization (PEO), has a long tradition of partnering with Wisconsin small business owners to help them achieve success and profitability for their business. We help our clients maximize their time by administering their staff for them. PSR employs the staff, but the staff works for you. We offer all the benefits of having employees, without the day-to-day headaches associated with having people work for you directly.

As the lead employer in the co-employer relationship, your staff becomes PSR employees. PSR assumes responsibility for:

- Payroll
- Employee Taxes
- Benefit Suite
- Legal Compliance
- Human Resources
- Worker's Compensation Insurance
- Unemployment Insurance
- Recruiting
- COBRA

PSR mitigates your risk associated with having direct employees. We also become your HR department; answering benefit questions, assisting with insurance issues, etc.

Through your partnership with PSR, you can offer high-quality, affordable benefits to your staff:

- Health Insurance
- Vision Insurance
- Dental Insurance
- 401(k) Plan
- Professional Assistance with Employee-Related Problems

To learn more about PSR and how we can help maximize your success, please call 414.778.5100 or visit our WebPages at www.PSRHR.com
